

Greenware® Plant Fiber Blend Containers

Sturdy, Strong and Sustainable

Greenware Plant Fiber Blend Containers are made with a blend of wheat straw and wood fiber. Our wheat straw is grown in Idaho within a 20-mile radius of our manufacturing facility. A powerful combination of performance and sustainability, we have the all-natural solution to your take-out needs.

FROM FARM TO FIBER

Wheat straw fiber is made from straw that remains after the grain is harvested each year. There is no disruption to the food chain with products made from wheat straw.

MADE IN THE U.S.A.

Greenware Plant Fiber Blend Containers are crafted with care in the USA.

SUPPORTING AMERICA'S FARMERS

All wheat straw resources are farmed close to our manufacturing facility, reducing transportation and emissions and environmental impact.

PERFORMANCE FOR TAKEOUT & DELIVERY

Our containers' unique, plant based fiber blend naturally holds up to wet, heavy foods.

Designed for superior strength and stackability.

Double-tab closure provides safety during transport.

Waffle-board bottom helps keep foods fresh.

Freezer safe, microwaveable and suitable for uses up to 300F.

Supporting America's Farmers

Wheat straw provides farmers with additional annual income. Our wheat straw resources are grown within 20 miles of our Idaho manufacturing facility. This reduces transportation emissions and environmental impact. Feel proud, knowing you're supporting USA farming and manufacturing.
